

Tutorial Programme 17-18

Petty Pool Vocation College Tutorial programme is designed to meet the individual and varied needs of our students. It also aims to provide sessions that relate to Equality & diversity issues, Prevent & Safeguarding initiatives and the 5 areas of Every Young Person Matters (Being healthy, Making a positive contribution, Enjoying & achieving, Achieving economic wellbeing & Staying safe).

Each half day session is to include the following;

Student Voice

The is the tutor groups chance develop their safe advocacy skills, to feedback their thoughts on college and make an input on future planning and change, discuss issues from current affairs, share personal experiences, liaise with their student council representative, 'discuss student focus group subjects' and ask questions of the SMT through regular Q&A sessions.

1:1 Tutorials (this could be done whilst LMs run the 'Student Voice' aspect of the morning')

Students will have a weekly opportunity to talk 1-1 to their personal tutor to review progress and ILP targets and discuss any issues that may be affecting them (Weekly best practice / once a fortnight minimum). *Any issues relating to safeguarding etc. must be passed onto SMT immediately.

Topical Subject

These sessions encourage students to look at issues that affect them and the world around them, linked closely to National and International awareness events, E&D, Prevent, Safeguarding and EYPM.

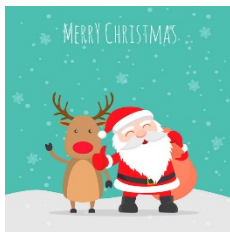

*Following feedback from EoCR Meeting, each Tutorial session / subject will have a lead tutor responsible for the planning of the theme. Resources are to be distributed via the shared drive system.

*Each week has a file on the shared drive under 'Tutorials'. Please use this to distribute your plans / resources with your colleagues.
