

Outdoor Centre Staff

Last year Petty Pool Outdoor Centre delivered activities and residentials to over 1500 young people. You would join a small team responsible for delivering our outdoor education and forest adventures programmes to students in our vocational college, and to visiting schools and youth groups including:

- UKGO - in partnership with rotary Urban Kids Go Outdoors offers schools a chance to come to Petty Pool and take part in a range of team building and problem-solving activities
- School residentials - bespoke personal development programmes for schools and youth groups
- Youth leadership programmes – in partnership with Rotary, our youth leadership programmes aim to empower young people to come together from different areas, explore the concepts of leadership and how they can take more of an active role in their communities
- Holiday and respite care for young adults with learning disabilities

Salary based on qualifications and experience.
