

Vision:

Achieving Excellence

Mission:

Petty Pool Vocational College aims to provide every learner with an effective and enjoyable educational experience that empowers them to reach their full potential

Values:

Petty Pool Vocational College considers the following to be essential elements of effective provision:

- * A calm, supportive and welcoming learning environment
- * Appreciating all stakeholders and their unique contribution to our success
- * High quality teaching and a curriculum designed to accommodate and respond to the ever-changing needs of the individual
- * Striving to continuously develop and improve what we do
- * A holistic approach where all aspects of personal development are addressed be they academic, vocational, social or emotional
- * An emphasis on the continuity of learning and transference of skills acquired to the home and other areas of students' lives
- * A commitment to ensure the health, wellbeing, safety, security, enjoyment and happiness of all students and work in partnership with other professionals to facilitate this where necessary
- * A culture that promotes independence, equality, inclusion, the rights of the individual and respect for all
